RULES AND REGULATIONS

of the

INTERNATIONAL COTTON ADVISORY COMMITTEE

As adopted by the 31st Plenary Meeting - June 16, 1972
(With amendments through October 1999)

ARTICLE I - TERMS OF REFERENCE

The functions of the International Cotton Advisory Committee (hereinafter referred to as ICAC) are:

- a. To observe and keep in close touch with developments affecting the world cotton situation.
- b. To collect, disseminate, and keep complete, authentic and timely statistics and other information relating to world production, trade, consumption, stocks and prices of cotton; and other textile fibers, or of textiles, insofar as they affect the cotton economy and do not duplicate assignments that governments have given to other international bodies.
- c. To suggest to member governments of ICAC, as and when advisable, any measures ICAC considers suitable and practicable for the furtherance of international collaboration directed towards developing and maintaining a sound world cotton economy.
- d. To be the forum for international discussions on matters related to cotton prices, without, however, prejudicing discussions currently being carried on elsewhere, for example, in the UNCTAD. Such discussions should take place regularly both in the Standing Committee and at annual Plenary Meetings.

ARTICLE II - MEMBERSHIP

Section 1 - Eligibility for Membership

- a. Membership in ICAC is open to all members of the United Nations or of the Food and Agriculture Organization of the United Nations, expressing an interest in cotton.
- b. Any other government expressing an interest in cotton shall be eligible to apply for membership.

Section 2 - Accession to Membership: Commitments of Acceding Governments

Accession of any government to ICAC shall be effected by the following procedures:

- a. A government desiring to accede shall address a communication to the Executive Director stating that:
 - (1) It has an interest in cotton;
 - (2) It is prepared to fulfill the obligations of membership with respect to:
 - (a) The acceptance of the Rules and Regulations of ICAC in effect at that time,
 - (b) The submission of information concerning the cotton situation and related matters within its own country in accordance with the prescribed requirements of ICAC and any work programs that may be approved from time to time, and
 - (c) The payment of its assessments.

b. The Standing Committee or the Advisory Committee, as applicable, shall thereupon consider the communication of the government desiring to accede.

c. Normally the accession of a government qualifying for membership under the provisions of Section 1 a. of this article shall be confirmed at the next meeting of the Standing Committee. However, should the matter of accession be raised at a Plenary Meeting the Advisory Committee shall confirm the accession.

d. Application for membership from any other government shall be considered by the Advisory Committee.

e. Whenever it confirms or approves the admission of a government to membership in ICAC, the Standing Committee or Advisory Committee shall, at the same time, confirm the amount of the financial contribution assessed to such government in the year of its accession in accordance with the provisions of Section 4 c. of this article.

f. The Executive Director shall notify the government concerned in writing of the action taken.

Section 3 - Withdrawal from Membership

The withdrawal of any government from membership in ICAC shall be effected by the following procedure:

a. Any government desiring to withdraw shall address a communication to the Executive Director to that effect, stating the date on which it is desired to make the withdrawal effective.

b. The Executive Director shall inform the Advisory Committee or the Standing Committee, as applicable, of any withdrawal and, in acknowledging the withdrawal, shall notify the government concerned of its financial status with ICAC.

Section 4 - Financial Obligations of Members

a. The assessment of each member government shall be the sum rounded to the nearest \$100 of:

(1) A basic contribution: 40 percent of the total assessments shall be shared equally between member countries, and

(2) A pro rata contribution: the total of the pro rata contributions shall equal budgetary demands less the sum of the equal contributions. The pro rata contribution shall be assessed on the basis of average trade in raw cotton (exports plus imports) in the four most recent cotton years (August-July) ended prior to the ICAC fiscal year to which contributions are applicable.

b. Assessments shall be due on July 1 each year and payable during the following three months of ICAC's fiscal year. Each payment received from a member government shall be applied against the longest outstanding debt due ICAC from that country.

c. The initial assessment of a government acceding to membership in ICAC shall be calculated as provided in Section 4 a. of this Article. Such initial assessment shall be prorated according to the number of full quarters remaining in the ICAC's fiscal year. The pro rata contribution shall be determined by the relationship of the average trade that was used in determining the pro rata contributions last assessed for existing members.

d. The initial assessment of a government acceding to membership shall be due on the date on which its accession becomes effective and payable during the following three months.

e. On withdrawal of a member government, no remission or refund shall be made of any part of its assessment for ICAC's fiscal year during which the withdrawal takes place. Any unpaid assessment for that year shall become payable on the date when the Executive Director receives the communication referred to in Section 3 a. of this Article.

f. If the assessment of a member government is in arrears for twelve months, except for a minimal amount, not to exceed 15 percent of its current annual assessment, the Executive Director shall notify the government concerned that, unless payment is received within six months after the date of notification, the

provision of documents and other services will be discontinued thereafter. If payment is still not received after a further six months, the membership of that member shall be suspended.

g. A government that has withdrawn from membership under Section 3 of this Article or whose membership has been discontinued under Section 4 f. shall not be readmitted to membership until at least one-fifth of all debts due ICAC from that country have been paid. Membership of the government shall continue only if no additional arrears accumulate while its debt to the Committee is being repaid in full, and only if the government continues to pay its debt to the Committee in installments of not less than one-fourth of the remainder per year.
