28 March 2002

Dear HLCP colleagues,

As a follow up to my letter dated 15 March 2002 concerning the convening of an Inter-Agency meeting on trade facilitation issues, I am now pleased to confirm, that as a result of feedback received from you, the meeting will take place on 5 April 2002, in the Palais des Nations, Geneva (E-Building, Room XXVI). As you will note, the agenda and the annotations remain unchanged, with the understanding that the specific issues that individual organizations would like to raise could be done in the context of the general framework provided by the formulation of the agenda items. The timetable has been adjusted for the meeting in the afternoon in such a way that, as requested, the session could finish earlier.

I would very much appreciate it if you could indicate as soon as possible the name of your expert(s).

Looking forward to seeing you in Geneva.

Yours sincerely,

Signed

Carlos Fortin
Deputy Secretary-General of UNCTAD.
